Supreme Decree No. 005-2020-MINCETUR approved the Regulations for Travel and Tourism Agencies, which stipulate, among other provisions, that all travel and tourism agencies are required to register with the National Directory of Qualified Tourism Service Providers at the regional government of their jurisdiction.

Therefore, Ministerial Resolution No. 061-2021-MINCETUR approved the distinctive badge to identify only those travel and tourism agencies that have registered with the aforementioned directory.
